

What you need to do now:

The first thing you need to do is check your calendar - ensure that you are free for the weekend and also make sure that you will be able to our shop two weeks before to pick up your ordered equipment.

Now that you have checked your calendar - call our shop at 908-379-8220 to book into your course. All the dates we go out to Dutch Springs are listed on the class schedule page of our web site - don't leave it too long as we restrict numbers to ensure student to instructor ratios are low. If you don't see a class that fits your schedule, call us and we may be able to create a customized schedule for you.

Please come to our shop two weeks before you go to Dutch so we can fit you for your wetsuit, BCD, hood and gloves.

If you have left a long time between part 1 and part 2 of your course you may want to think about booking a refresher session with us to brush up a little on those skills. Call us at 908-379-8220 if you think this might be something you want to do.

Welcome to Part 2

*A Diver's Guide To
Part Two*

Certification

Congratulations on completing part 1 of your Open Water Diver Course - you are now over half way to obtaining the coveted PADI Open Water Diver certification.

In order to obtain your certification you need to complete 4 dives in open water - but don't worry we will not surprise you with any new skills; you will just practice the skills you have already mastered.

You will complete the open water course over a 2 day weekend with us at Dutch Springs in PA, about 1 hour from our shop. The cost of part 2 is \$300. The entry fee into Dutch Springs is payable direct to Dutch Springs and is \$40 per day- you also need to purchase four 'Air Fill' tickets so we can refill your tanks at Dutch Springs.

You need to be at Dutch Springs at 7am on the Saturday morning and Sunday morning. If you are doing checkout dives on Friday, you need to be at Dutch Springs 9:40am. On arrival fill out a liability waiver which can be found on the tables outside the admissions building. We will be outside to greet you.

Equipment:

You will need to bring all the equipment listed below to Dutch Springs with you.

Mask, fins, booties, snorkel and Divers Log book

In addition you will need:-

Mask De-Fog

Dry clothing

Towel

Bathing Suit

Plenty to drink

Bring food & snacks

Bring a rain jacket in case it rains to stay warm in between dives.

We will bring

Wetsuit

BCD

Regulator

Weights

Compass

Dive Computer

Hood

Gloves

4 tanks of air

Some Notations

Please don't ask us "what time we are going to be done." We will get done when we finish all the skills.

Please don't forget any gear or we will waste a lot of time and will NOT be able to finish our requirements

If it rains we are STILL diving. If you see that the weather calls for rain, bring a rain jacket and clothes to stay warm in between dives. Bring fleece, sweatshirts/pants to stay warm.
